NZ EQUINE EDUCATION TRUST

For successful assessment practice, verifiers need to be qualified to evaluate the candidate's competence in the industry, be familiar with industry standards and have a good understanding of the relevant unit standards from the National Qualifications Framework

- Making sure each trainee is thoroughly assessed
- Making sure all criteria are met before a trainee is signed off as competent

- Being a good communicator – asking good questions, really listening, giving clear instructions
- Being totally objective and fair
- Giving balanced feedback
- Giving praise for good work

- Preparing - organising equipment, schedules and staff
- Keeping accurate and up to date records of assessment decisions
- Reporting assessment results

VERIFIERS MUST:

- Hold relevant equine qualifications or have equivalent skills and knowledge

- Have a minimum of three year's supervisory experience

- Be registered with NZ Equine Education Trust as a verifier

- Complete appropriate paperwork which must be returned to NZ Equine Education Trust
